TERMS AND CONDITIONS

We upon developing our clients product we are in agreement to maintain a copy of our client's application/website on an offline server as a backup to the live one.

Any and all modifications are expected to be completed within 60 business days of our's acknowledgment depending on level of repair or maintenance request.

Client hereby retains the services of Our company to design, develop and host.

Changes to Agreement or to any deliverables in contract must be submitted in writing and approved by both parties prior to taking place.

We agree to notify client company if any risks or schedule delays may take place effecting delivery dates and presentation of the final application. We also agrees to personally present said website within the defined period.

Client shall provide Us with appropriate contents, space and resources for such to take place.

As per the Indian Copyright Act, 1957, Section 2 (O), Our products and codes represents our valuable intellectual property, and we adhere to a strict policy of not providing the source code to our clients.

This approach is essential to safeguard our security measures and ensuring the protection of our previous and post client's websites from potential vulnerabilities.

However, we understand that certain circumstances may necessitate the availability of the source code, and in such cases, we may consider providing it with limited access at an additional cost based on the client's specific requirements.

All information and discussions must be conducted exclusively between the client and the company. If any unauthorized behavior or disclosure or trespassing of information is detected, the company reserves the right to terminate the project.

Non-Refundable Payment: The [specific payment, e.g., "upfront amount", "maintainance fee", "server fee", "development fee"] paid by the Client/Customer/User (hereinafter referred to as "Client") is non-refundable. Under no circumstances shall this amount be refundable

Client's application/website will not include any of the following unless previously agreed upon between both parties.

- Any destructive, crude, insulting, harassing, violent, sexual, or any other inappropriate.
- Materials supplied by client must be provided with compatible file types and sizes.

Our company agrees to develop the website as per client's requirement.
